

# Kawartha Nordic Ski Club

## *The WOODfine Cabin*

The WOODfine cabin has been a great addition to the club. The only thing that could make it better is a deck so we are looking for “supporting members” to help with this initiative. The planned deck will extend the length of the cabin with access from the four sliding doors and centre door. There will also be a

roof over the deck to help keep the snow off. For a donation of \$250 a “supporting member” will be acknowledged with a name plate on one of the “supporting posts” that holds the deck up. You can send your donation in with your membership renewal.

### *Did you know?*

*The WOODfine Cabin is named after two KNSC members that were instrumental in the planning and construction of our cabin. Dave Woodfine and Scott Wood contributed countless hours of their time to build the cabin. Without members like Dave and Scott, projects of this magnitude would not get done. Their surnames were blended in naming the cabin to help ensure that their incredible contribution will not be forgotten. Thanks guys!!!*

Dave Woodfine

Scott Wood

### **LIFETIME MEMBERSHIPS**

For the first time in the 2008-2009 season, the Kawartha Nordic Ski Club is offering up to five Lifetime Memberships to any interested individual or family. This program is intended to help support the development of high quality facilities at Kawartha Nordic and to pay down our debt accumulated from purchase of the Nordic Legacy property and construction of the new WOODfine Chalet. Lifetime members will

receive special recognition for their demonstrated commitment to the ski club and will not be subject to any further annual membership dues for life! For more information please contact Bruce Wurtele, KNSC Membership Coordinator at: 741-5791 or [membership@kawarthanordic.ca](mailto:membership@kawarthanordic.ca). Details are also posted on the website at: <http://www.kawarthanordic.ca/membership.php>
